

Dear Bristol Nursery Manager,

I am writing to thank you and your team for the very warm welcome you have all given to my two youngest children. I really appreciate the time and care you have given to my little boy in particular to help him to settle in. Teddies is an important part of our family life and my eldest boy still talks about 'his nursery'. Seeing his photos on Monday reminded us of how far he has come and the important part of his nursery life.

Warmest regards from mum of three
