

Dear Teddies Nursery Balham,

It is with great sadness that I write to inform you that we are moving out of London, and therefore this letter is to give you four weeks notice for our child at the Teddies Nursery in Balham.

Our child has attended Teddies for two years and absolutely loves it. We have been very happy with the whole setting and have enjoyed watching how much our child has gained from her two days a week in terms of confidence, fun, learning, games, ideas and friends. We will be very sorry to have to move her - any future establishments have a lot to live up to.

We are also sad to be saying goodbye to your excellent staff, in particular to Kim, Ange and Angela, who have all been under the guidance of the wonderful Mary.

Thank you for two years' excellent childcare.
